Are you looking for more ways to recycle around the neighborhood? There are recycling bins at Pearl Road United Methodist Church (at Pearl & Broadview Rds) for aluminum & steel cans and medicine bottles (items should be empty, clean, and dry). It’s also a place where residents can report suspected elder abuse or neglect. The center can be reached weekdays 8:30 a.m. – 4:30 p.m. at 216-420-6700.

With grilling season upon us, we here at Seniors in Touch need your help to answer the age old question:

**Is a hot dog a sandwich?**

The Oxford Dictionary defines a sandwich as an item of food consisting of two pieces of bread with meat, cheese, or other filling between them. A hot dog is a meat between two pieces of bread, right? (Buns are made of bread). But if you asked us for a sandwich and we brought you a hot dog, you might think we were crazy, right? **So is it or isn’t it?**

For email subscribers to S.i.T, please reply to the email containing this newsletter with a simple “Yes” or “No”, and if you feel it necessary, the reasoning behind your answer. For non-email readers of the newsletter, there will be a box for you to vote by paper ballot in the SCR dining room. Results will be reported in July’s issue of Seniors in Touch.

The hot weather is coming, and that’s a good time to remember how important keeping hydrated is to everybody. The recommended daily fluid intake to keep your body hydrated is 48 to 64 ounces or six to eight 8-ounce glasses of water each day. This may sound like a lot, but your daily hydration requirement *need not be filled entirely from the tap*. Foods and beverages that contribute to your daily intake levels include milk, soup, fruit and vegetable juices, gelatin, apples, watermelon, decaffeinated soft drinks, tea and even cooked broccoli. Caffeinated drinks and alcohol do not contribute to your daily intake. In fact, they actually act as diuretics — contributing to water loss — and should be consumed in moderation.

Don’t wait for thirst and other symptoms of dehydration to take action. Let’s enjoy the summer!
If you would prefer to receive a newsletter via e-mail instead of in the mail, please let us know (this option is not only quicker, it also saves SCR money). Contact us: LBrown@SCRinc.org or 216-749-5367. Our newsletter is free, but we do always accept & appreciate donations towards our printing, processing, and mailing costs.
